In true Culture Vulture fashion:

Pack a picnic basket - we'll dine on the bus.

Pick-up at Verano around 12:00 (exact details closer to the date).

Showtime is 2:00 PM and runs about 2½ hours.

And because we have standards...

Grab your pink boa

Don a sequin gown (or frankly anything with sequins, or just a black dress)

Dust off those platform heels

Top it off with a lavish wig in any color

Because when the Culture Vultures go to the theater... we commit to the look.

And I certainly hope everyone remembers to pack a cocktail for the ride home.

Spaghetti Carbonara

Carbonara is a classic Italian pasta dish known for its simplicity and rich, creamy flavor. Here's a basic recipe:

Ingredients:

- 1 pound spaghetti
- 4 large eggs
- 1/2 cup freshly grated Parmesan cheese
- 4 ounces guanciale or pancetta, cut into small cubes
- 1/2 teaspoon freshly ground black pepper
- Salt to taste

Instructions:

- Cook the pasta: Bring a large pot of salted water to a boil. Add the spaghetti and cook according to package directions until al dente. Reserve 1 cup of pasta water before draining.
- Prepare the sauce: In a medium bowl, whisk together the eggs, Parmesan cheese, and black pepper.
- Cook the guanciale or pancetta: In a large skillet over medium heat, cook the guanciale or pancetta until crispy and the fat has been rendered.
- Combine the pasta and sauce: Add the drained spaghetti to the skillet with the guanciale or pancetta. Toss to coat.
- Make the sauce: Remove the skillet from the heat and slowly pour the egg mixture over the pasta, whisking constantly to create a creamy sauce. If the sauce is too thick, add a splash of reserved pasta water.
- Serve immediately: Season with salt to taste and serve immediately.
